CDBG CLIENT INCOME CERTIFICATION FORM (9-J(1))

(INSTRUCTIONS)

Instructions for Program Administrators for Completion of CDBG Client Income Certification:

1. The *CDBG Client Income Certification Form* is only required if specified by the State of Wisconsin Department of Administration – Division of Energy, Housing and Community Resources (DEHCR) as required for the Grantee's project, listed in the CDBG contract – in Attachment A: Time Table.
NOTE: For CDBG-CV Grantees, if income data collection is required for your project, then the *CDBG-CV Client Income Certification Forms* (Attachment 9-J(2)) and *CDBG-CV Client Income Report Form* (Attachment 9-I(2)) or the *CDBG-CV Microenterprise Owner Self Certification Form* (Attachment O), *CDBG-CV Microenterprise Employee Self Certification Form* (Attachment P), and *CDBG-CV Microenterprise Self Certification Report Form* (Attachment N) must be used for collecting and reporting beneficiary data for the CDBG-CV project. The CDBG-CV forms are available on the [CDBG-CV Program website](#), in addition to the [CDBG Implementation Handbook website](#).
2. If the *CDBG Client Income Certification Form* (Attachment 9-J(1)) is applicable to the Grantee's project, then all clients/residents served through/benefitting from the HUD/CDBG funded project must be given this form to complete upon entering the program/starting to receive services/benefits from the project. If a client refuses, then they *must* be deemed non-low-to-moderate income (non-LMI).
3. Enter the Grantee/UGLG name (the unit of general local government awarded the CDBG funds from the State), Subrecipient name (if there is/are subrecipient(s) organization(s) receiving the CDBG funds through the Grantee/UGLG), CDBG Contract # (i.e., Grant Agreement number) in the marked entry fields at the top of the *CDBG Client Income Certification Form*.
4. **Insert the Family Income Levels in Part 1 of the *CDBG Client Income Certification Form* for the client's/resident's county of residence** prior to giving it to the client/resident.
5. **Give the form to the client, upon the client *first entering into or starting to receive services/benefits from the HUD/CDBG funded program/project*, and have them complete Parts 1 – 3**, including signing and dating the form.
6. Refer to the FY2023, FY2022 or FY2021 HUD CDBG Income Limits that are provided within this document to locate the client's county of residence and the applicable HUD CDBG Income Limits for each family size, in effect when the client entered the program or began receiving services/benefits from the HUD/CDBG funded project, to enter in the Family Income Level table within the certification form.
 - If the client/resident lives in a county outside Wisconsin, then obtain current income limits on the HUD [CDBG Income Limits](#) website at: <https://www.hudexchange.info/resource/5334/cdbg-income-limits/>.
 - **TIP:** Filter the spreadsheet by State to view only counties for that state, and select the Income Limits listed in the columns for **Lim80_[year]p[# = family size number, e.g., 1, 2, 3, 4, 5, 6, 7, or 8]**. **Example:** The "Lim80_23p7" and "Lim80_23p8" columns on the spreadsheet effective 6/15/2023 are the applicable Low (80%) Income Limits for FY2023 (for clients who enter the program or begin receiving services/benefits from the HUD/CDBG funded project on or after 6/15/2023) for a Family of 7 ("p7") and a Family of 8 or more ("p8").
 - Counties are listed in alphabetical order on the HUD spreadsheets. If a county is not listed, then it is part of a metropolitan area, and the metro area name is listed on the spreadsheet in place of the county name. Use the applicable metro area income limits when the client's county of residence is part of a metro area. Contact DEHCR for additional guidance as needed.
 - The income limits in effect (per the "Effective Date" listed on the [HUD CDBG Income Limits website](#) for the year selected) at the time of the client entered the program or began receiving services/benefits, and for the "**Lim80_**" (Low 80%) Income Limits for the county in which the client lives must be entered in the Family Income Level table on the certification form.
 - The CDBG Income Limits are updated annually by HUD, typically released in June or July. Check the [HUD CDBG Income Limits website](#) regularly for updates.
7. Compile the data collected from the *CDBG Client Income Certification Forms* (Attachment 9-J(1)) to complete and report the client data on the *CDBG Client Income Certification Report* (Attachment 9-I(1)), which must be submitted to DEHCR with the *CDBG Client Income Certification Forms* in accordance with the specifications in the Grantee's CDBG contract – in Attachment A: Time Table.
